

Diamond W Ranch

2019 Day Camp Registration

Week long day camps at Diamond W Ranch feature daily horseback riding, arts and crafts, and games, all encompassed in a fun filled, safe, and educational atmosphere. The head instructor has over 35 years experience as a riding instructor, and is CHA certified to ensure that your child learns from a qualified instructor.

Diamond W Ranch day camps are open to children age 8 and up. Children younger than that may be accepted upon special approval of the instructor. Camp size is limited to ensure a small camper to instructor ratio, and provide a more personal experience. A minimum of six campers may be required to hold a session. A \$50 deposit will hold a space for your child, refundable only up to 7 days prior to camp start date. Balance is due on or before the first day of the camp session.

Hours of day camp are from 9:00 am to 5:00 pm, Monday - Thursday; 9:00 am to approximately 1:00 pm on Friday. Drop off and Pick up time should be within 15 minutes of start/end times. Parents should pack a suitable lunch with beverage each day except Friday, when lunch will be provided. A refrigerator is available to keep food and beverages cool. Campers will receive a T-shirt as well as have all craft materials provided. On Friday parents are invited to come to camp to observe as the campers show off the skills they have learned during the week.
